

# Downloading Ebooks to Reader-Only Kindles

## You will need:

**A Computer**

**A valid Guntersville Public Library Card**

**Wifi service or a USB cable**

**An Amazon account**

## Step One: OverDrive

- Visit our website at [www.gunterslibrary.org](http://www.gunterslibrary.org)
- Select "EBOOKS"
- Select "OverDrive"

## Step Two: Creating an Account

- Select "Sign In" in the upper right.
  - Select Guntersville Public Library from the drop down menu and then type in your library card number. Check "Remember my card number on this device" for faster sign in.
- (You will have to do these same steps twice the first time, as you are first *creating* an account and then *signing into* the account.)

## Step Three: Searching

- At the top of the Overdrive home page select "Kindle Books"
- You can search by title, author, genre, or do an advanced search for a more narrowed search
- Once you select a title, choose "Borrow" located underneath the title.

## Step Four: Selecting Format

- Select "Read now with Kindle"
- You will be taken to your Amazon Account (sign in if not already)
- Select "Get Library Book" from your Amazon checkout page
- Choose which device to send the book to

## Step Five: Getting your book

- If you are connected to Wifi your book will be delivered to your bookshelf on your device.
